Grant Opportunities

Community Investment Fund
Currently, proposals are being reviewed and award announcements will be in September. The Freeport-McMoRan Social Investment programs are designed to ensure that resources are used effectively to address high-priority needs and facilitate local capacity building to sustain communities when our operations cease.

• Community Investment Fund – Project Update
  - The Freeport-McMoRan Foundation is proud to partner with the Town of Sahuarita on their implementation of the Blueprint for Economic Growth and Prosperity.
  - In 2015, the Town of Sahuarita received $96,000 from a Community Investment Fund grant to develop a blueprint designed around economic development, specifically business attraction & retention. As the plan continues to move forward, community input and feedback will be sought. The initial phase of the project is expected to be presented by the end of the year.

Women's Development Grant Program — Open NOW through October 1
The Freeport-McMoRan Women’s Development Grants program has been established with the goal of supporting programs and projects that focus on providing women and/or girls opportunities to reach their full potential and achieve economic success.

Mini-Grants for Education — Deadline October 1
Mini-Grants for Education are designed to support K-12 teachers and schools in Freeport-McMoRan communities. Grants of $100 to $500 will be awarded to support projects in the project categories below:
• Environment
• Mining, mineral and natural resources
• Reading and literacy
• STEM — Science, Technology, Engineering and Math

A school is eligible to receive up to four (4) mini-grants during each application period. Each applicant/teacher/classroom may receive one mini-grant award per school year.

The MAP Dashboard project is intended to measurably improve Southern Arizona through data-driven collective civic action and education. George Hammond from the University of Arizona presented to the CPP highlighting how data specific to Green Valley/Sahuarita can be compiled.

Community Discussion Summary

Leadership Initiative for Sustainable Communities
During the third quarter, the Panel welcomed the Green Valley/Sahuarita Cohort to present an update related to their work around the outcome of increasing the number of businesses developed, attracted and or retained.

The Cohort’s work closely ties to the regional economic development work being done by the Town of Sahuarita and the Greater Green Valley Chamber of Commerce.

The CPP Meets on a quarterly basis — for more information please contact Jessica Knowlton at jknowlto@fmi.com.
