Globe-Miami  
July 27, 2017

Purpose
The Community Partnership Panel is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share
The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Industry/Business Update
For the most recent FCX financial information please visit: Freeport-McMoRan Investor Center

Miami Operations
• Smelter November Turnaround  
  - Turnaround Schedule: November 1 — December 5 (35 days for project tie-ins)

  - Install larger intermediate acid coolers (capital)
• Smelter Compliance Project Tie-ins  
  - Tie-in aisle scrubber
  - Install new caustic system
  - Remove existing/install new wet ESP and tail gas stack

Community Engagement Update
Working Towards Sustainable Development Report — is now available online.

Civic 50 — For the fourth consecutive year, Freeport-McMoRan has been named to the Civic 50 list of most community-minded companies in the U.S., and this year also was named the top company in the materials sector.
Freeport-McMoRan's Commitment to Social Investing. During the second quarter, Globe-Miami was proud to partner on the below initiatives and projects:

- San Carlos Apache Tribe — “A Day Made for Apaches” event
- Copper Corridor — Hispanic Leadership Institute
- Copper Basin Coalition — Substance abuse prevention
- Cobre Valley Center for the Arts — Arts program support
- Miami and Globe Unified School Districts — Back-to-school teacher appreciation luncheons
- Miami and Globe Unified — Spiritline/Cherleader programs

Grant Opportunities

Social Investment Program — NOW OPEN through August 30
The Freeport-McMoRan Social Investment programs are designed to ensure that resources are used effectively to address high-priority needs and facilitate local capacity building to sustain communities when our operations cease.

Women’s Development Grant Program — Opens August 1 through October 1
The Freeport-McMoRan Women’s Development Grants program has been established with the goal of supporting programs and projects that focus on providing women and/or girls opportunities to reach their full potential and achieve economic success.

Mini-Grants for Education — Deadline October 1
Mini-Grants for Education are designed to support K-12 teachers and schools in Freeport-McMoRan communities. Grants of $100 to $500 will be awarded to support projects in the project categories below:

- Environment
- Mining, mineral and natural resources
- Reading and literacy
- STEM — Science, Technology, Engineering and Math

A school is eligible to receive up to four (4) mini-grants during each application period. Each applicant/teacher/classroom may receive one mini-grant award per school year.

Community Discussion Summary

Leadership Initiative for Sustainable Communities
During the third quarter meeting, the Panel welcomed the Globe-Miami Cohort to present an update related to their work around Education.

The Education Cohort, through a partnership between ASU LodeStar and Freeport-McMoRan, will provide a framework to establish objectives that will work to achieve a 100% graduation/promotion rate for students in the Globe-Miami area.

The CPP Meets on a quarterly basis — for more information please contact Robin Horta at rhorta@fmi.com.
