

# COMMUNITY PARTNERSHIP PANEL

## Meeting Notes Summary

**Grant County**

September 8, 2021

### Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions and address community issues.

### Safety Share

The safety and health of all Freeport-McMoRan employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

The National Mining Association honored Chino operations with the Sentinels of Safety Award in the large group metal/non-metal mill category. Sentinels of Safety is awarded annually to the nation's safest mines, measured by a minimum of 4,000 injury-free hours. Tyrone operations qualified for the Sentinels of Safety Award and achieved a milestone of over 1 million man hours without a reportable incident.

**Tyrone** continues Emma and Little Rock permitting efforts to extend their mine life.

- Emma's permit application is anticipated to be submitted by mid-October. This project is approximately one year from the construction phase.
- Tyrone received permit approval for the Haul Road reroute as part of the Little Rock project.
- Tyrone continues encouraging local elected officials to support modified veribiage within the proposed Wild & Scenic Legislation to protect the economic interests of the community.

**Chino** continues to invest in the rebuilding of plant and infrastructure.

- Contractor headcount will increase to assist with specialized work needed for these capital investment projects.
- Chino is currently working on the permit application for North Lampbright leach stockpile. This stockpile was previously permitted as a waste rock stockpile. The application is expected to be submitted in the fourth quarter with construction to begin in 2022.

## Community Engagement / Development Update

### True Impact Reporting

True Impact, a social impact measurement organization, has been supporting Freeport-McMoRan's efforts to better understand the impact of our investments and the social value created in partnership with local organizations. By evaluating investments, we gain a more comprehensive picture of not only the number of people reached or benefitted, but also what was achieved by investing in these programs and reaching these beneficiaries), otherwise known as impact.

swnmACT presented on the impacts of their Historic Waterworks Site Restoration Project. This was a project funded in part by the Freeport-McMoRan Community Investment Fund.

### The Civic 50

Freeport-McMoRan has made the Civic 50 list for the ninth year in a row for its commitment to community! Civic 50 honorees selection is based on four dimensions community engagement programs and social impact:

- Strategic investment
