

# COMMUNITY PARTNERSHIP PANEL

## Meeting Notes Summary

Bagdad

18 November 2021

### Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions and address community issues.

### Safety Share

The safety and health of all Freeport-McMoRan employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

### Bagdad Environmental Management – Climate:

- Energy – How do we go “Green”?
  - We continue our pursuit of improved energy efficiency and moving to a lower carbon future:
    - Continue to develop options for renewable energy projects such as solar
    - Engaged in studies to target equipment upgrades to improve efficiency / reduce demand, and investing in equipment that enables us to produce more efficiently
    - Continue to replace large fixtures with LED units
    - We are testing opportunities to reduce fuel use with our diesel equipment, and taking steps to convert to electric options for diesel equipment
    - We are sourcing renewable energy supplies for our power
- Water – with changing climate, a priority
  - We continue a long-standing focus on efficient use of water
    - Constantly searching for process improvements to help conserve this resource
  - We search out and invest in alternative ways to reduce freshwater needs through opportunities in reuse / recycling, methods to reduce evaporative loss, and modifications in operating practices

### Bagdad and Copper Mark:

- We are proud to announce Bagdad is the most recent Freeport-McMoRan site to receive Copper Mark certification
- The Copper Mark aligns with United Nations and ICMM criteria around Environment, Social, and Governance goals

- Every employee, every contractor, and every partner has a part in helping achieve our targets, and you are all key to success
