

COMMUNITY PARTNERSHIP PANEL

Meeting Notes Summary

Miami Operations – Q3

September 29, 2021

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions and address community issues.

Safety Share

The safety and health of all Freeport-McMoRan employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Industry / Business Update

 - Monarch butterflies have experienced a sharp decline in population due to loss of habitat

- Southwest Monarch Study and Pollinator Partnership launched an initiative to improve the habitat for monarch butterflies
- Freeport-McMoRan stepped up to retrofit pollinator gardens located at Miami and Bisbee for monarch butterflies
- A team of students in the agricultural science class at Miami Junior-Senior High School, and Freeport-McMoRan employees planted species of milkweed
- North America monarch butterfly migration requires habitat for safe travels

Community Engagement / Development Update

True Impact Reporting

True Impact, a social impact measurement organization, has been supporting Freeport-McMoRan’s efforts to better understand the impact of our investments and the social value created in partnership with local organizations. By evaluating investments, we gain a more comprehensive picture of not only the number of people reached or benefitted, but also what was achieved by investing in these programs and reaching these beneficiaries), otherwise known as impact.

The Civic 50

Freeport-McMoRan has made the Civic 50 list for the ninth year in a row for its commitment to community! Civic 50 honorees selection is based on four dimensions community engagement programs and social impact:

- Strategic investment
- Business integration
- Fostering civic culture
- Measuring impact

Freeport-McMoRan Foundation Grant Programs

The Freeport-McMoRan Foundation is committed to investing in the communities where we have a presence through projects and programs that build community capacity. We are accepting **Mini Grants for Education** applications now through September 10. Awards will be announced on December 1. The **Women's Development Fund** application will open on September 1. Awards will be announced on December 1.

Our Commitment to Social Investing

During the second quarter of 2021, Miami operations was proud to partner on the following initiatives and projects:

- Gila County Education Services – STEM Summer Camp
- Globe Unified School District – Esports Program
- Cobre Valley Regional Medical Center – Health Fair
- San Carlos Apache Tribe – Belvado Park Renovations and Day Made for Apaches Event
- Miami Genesis – Music in the Park Concert Series
- Community Wildfire and Flood Response –
 - Sent crews and heavy equipment to clean mud and debris from streets, driveways, yards and approximately 50 homes in Miami and Little Acres
 - Provided 20 roll-off dumpsters for cleanup
 - Provided food, water and portable toilets to residents
 - Provided water curtain to protect Cobre Valley Regional Medical Center during wildfires
 - Provided hay donations to local ranchers affected by wildfires
 - Partnered with United Fund and Salvation Army with a \$50,000 investment to the local disaster relief fund

Grievance Management System

Freeport-McMoRan has a process to receive, record and respond to local questions, comments, and concerns. We encourage all stakeholders to reach out to us.

- **Talk** with your local Freeport-McMoRan or Community Development representative
- **Call** the Community Information and Grievance Line at 877-629-2609, 24 hours a day, seven days a week (English or Spanish)
- **Email** communitydevelopment@fmi.com or via FreeportInMyCommunity.com/contact
- **Send mail to** *Freeport-McMoRan Community Development – 333 N. Central Ave., Phoenix, AZ, 85004*

Miami operations has responded to two community grievances over the last quarter. Topics of concern included:

- Activity at Patullo Quarry
- Tree overgrowth on company-owned property

The CPP meets on a quarterly basis – for more information please contact Robin Bradford at rbradfor@fmi.com.
