

COMMUNITY PARTNERSHIP PANEL

Meeting Notes Summary

Sierrita

August 17, 2023

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities, and to foster open and ongoing dialogue to develop thoughtful solutions and address community issues.

Industry/Business Update

Sierrita Operations

Sierrita celebrates zero reportable dust incidents for two years!

The 2023 drilling program, which consists of hydrogeological/geotechnical work, continues and is visible from McGee Ranch Road and the Montana Vista neighborhood in Green Valley. Our mitigation well work aquifer testing is complete with full infrastructure completion expected by the end of 2023.

Community Engagement / Development Update

Tailings Management Update

As a member of the International Council for Mining and Metals (ICMM), we have been working to implement the Global Industry Standard on Tailings Management (Tailings Standard), which requires mining operations to take responsibility and prioritize the safety of tailings storage facilities through all phases of a facility's lifecycle.

- To watch our overview on the Tailings Standard, please visit [Tailings Update Video](#)
