Community Engagement Update

Freeport-McMoRan Foundation Investments — Grant Opportunities/Social Investing

[STEM Innovation Grants](#) are designed to support K-12 teachers and schools in their efforts to develop, improve or expand innovative instructional programs in science, technology, engineering and math (STEM).

In total, Freeport-McMoRan invested \$103,000 in STEM Innovation Grants in 2018 in or around communities where Freeport-McMoRan has a presence.

During the first quarter, Ajo operations was proud to partner on the following initiatives and projects:

- Ajo Center for Sustainable Agriculture
- Ajo Country Club — Fiddlers Contest
- Cabeza Prieta Natural History Association — Sonoran Symposium

In addition to our financial support, Ajo operations continues to provide in-kind resources to Ajo District Utility Customers with street lights, the Ajo Gibson Volunteer Fire Department with utilities and the water for the golf course and cemetery.

We are proud of these investments and the value they bring to the Ajo community.

[Social Investment Program](#) funds are awarded in areas that reflect the best opportunities to create sustainable benefits in communities. **The deadline to apply is August 30.** Be sure to review [community priorities, focus areas and community benefits](#) to ensure your project aligns with what we are seeking to fund.

Freeport-McMoRan employees around the globe volunteered during the company's annual **Global Volunteer Month**. Projects are designed for employees to put teamwork into action in ways that improve the quality of life in our local communities.

Ajo Improvement Company employees partnered with Freeport-McMoRan during Global Volunteer Month and hosted a "fund drive" to support the local Head Start Program.

Community Discussion Summary

[Leadership Initiative for Sustainable Communities](#)
