# 2024 YEAR IN REVIEW

**BAGDAD**

At Freeport, we are “Proudly Creating Better Futures,” which means we work with communities to make transformative change and increase opportunity, well-being and capacity. We are pleased to highlight some of our key work from 2024 and look forward to a productive 2025 with you.

## ENGAGEMENT

*“Freeport-McMoRan partnered with us last year and helped us fill a critical gap in our Meals on Wheels program. Our drivers covered 6,760 miles delivering over 12,000 meals to isolated folks in our rural area. Our little kitchen crew of three prepared 19,364 meals in total. Freeport-McMoRan helped us fulfill our vision of ‘Nourishing Bodies, Minds, & Hearts.’ Thank you for supporting our Center!”*

**-Jimmy Miller,  
Executive Director,  
YRCC**

In 2024, Freeport supported the Yarnell Regional Community Center's Meals on Wheels program and additional Center programming with a \$5,000 investment.

The YRCC operates the only nutrition assistance program in the area, serving Yarnell, Peoples Valley, Wilhoit/Kirkland, and Congress in Southwest Yavapai County. YRCC supports the community by:

- Delivering seven nutritious meals weekly to vulnerable seniors, along with weekly social check-ins.
- Providing a variety of social engagement activities, exercise and nutrition classes, and congregate meals five days a week.

A consulting firm was engaged to facilitate the strategic planning process, which included input from over 125 business stakeholders. Recognizing that collaboration is more effective than isolated efforts, this plan fosters cooperation between communities in Western Yavapai County to unlock economic potential.

The goal of this strategic plan is to establish Western Yavapai County as a thriving regional destination—one that attracts entrepreneurs, businesses, talent and visitors, while addressing critical challenges such as workforce shortages, housing, and the development of a unified regional destination brand.
