

# TRANSFORMING TOMORROW TOGETHER

## Community Partnership Panel Meeting Summary

**Bisbee**

**December 14, 2017**

### **Purpose**

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

### **Safety Share**

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

### **Industry/Business Update**

For the most recent FCX financial information please visit: [Freeport-McMoRan Investor Center](#)

### **Copper Queen Branch Operations Update:**

- Sulfate Mitigation — Long-term groundwater monitoring, an option selected by ADEQ, is continuing
- To assist extinguishing the fire at City Hall on October 11, Copper Queen Branch provided:
  - 2 security personnel for initial traffic control
  - a water truck and operator
  - access to its water drop and site hydrants, cutting travel time for tankers
  - a pipe fitter to assist tankers from various departments to hook up to site hydrants
  - 63,000 gallons of water
- Reclamation work along Whelan Avenue in Bakerville began in November and will continue through January
- Construction of a security fence along Highway 80 was completed

### **Community Engagement Update**

[Economic Impact Report's](#) — are now available online.

**United Way Campaign** — Freeport-McMoRan partners with United Way and runs an employee campaign to raise funds for the United Way Chapters located in our operating communities.

- Campaign Dates: November 1 — 22

In 2017, the Freeport-McMoRan Foundation matched employee donations to the United Way campaign for a Foundation investment of \$4,000 in Bisbee. The funds, provide support to regional nonprofit organizations with projects and programs ranging from education, arts/culture, to health and wellness.

**High-Grade Helpers** — Freeport-McMoRan has a commitment to creating a culture of corporate citizenship through its volunteer activities throughout the year, where employees are encouraged to apply their skills and serve, to help their local communities grow and thrive. In Bisbee, we are proud to volunteer with:

- Step-Up Bisbee Naco

### **Freeport-McMoRan Foundation Investments**

**Domestic Violence Safety and Shelter Initiative** — Freeport-McMoRan has provided ongoing operating support for shelters and service providers to provide victims of domestic/gender-based violence with opportunities to live free of violence, rebuild their lives and achieve independence. Our support for this initiative totals over \$3 million, working with shelters and service providers in communities in or near where we operate.

**Boy and Girl Scout Grant** — Freeport-McMoRan provides grant opportunities for Boy and Girl Scout Chapters that service youth in or near our operating communities. In 2017, \$30,000 was distributed to chapters throughout Arizona and New Mexico. In Bisbee, Girl Scouts of Southern Arizona and Catalina Council Boy Scouts received support.

### **Grant Opportunities / Social Investing**

**STEM Innovation Grant** — March 15<sup>th</sup> is the deadline to apply.

These grants are designed to support K-12 teachers and schools in their efforts to develop, improve or expand innovative instructional programs in science, technology, engineering and math (STEM).

**Freeport-McMoRan's Commitment to Social Investing.** During the third quarter, the Copper Queen Branch was proud to partner on the following initiatives and projects:

- American Cancer Society
- Bisbee Boys & Girls Club
- Bisbee Council on the Arts & Humanities
- Bisbee Coalition for the Homeless
- Bisbee Radio Project
- Bisbee Unified School District
- Bisbee Vogue
- Chiricahua Community Health Centers
- Cochise County Fair

**The MAP Dashboard** project is intended to measurably improve Southern Arizona through data driven collective civic action and education.

Jennifer Pullen, from the University of Arizona, presented to the CPP highlighting how data specific to Bisbee can be gathered.

The CPP Meets on a quarterly basis — for more information please contact Jessica Knowlton at [jknowlto@fmi.com](mailto:jknowlto@fmi.com).
