

# TRANSFORMING TOMORROW TOGETHER

## Community Partnership Panel Meeting Notes

Copper Queen Branch  
September 17, 2020

### Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

### Safety Share

The safety and health of all Freeport-McMoRan employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness. Freeport-McMoRan has made “The Civic 50” list for the eighth year in a row! This year, Freeport-McMoran was selected again as the **Material Sector Leader** in recognition of the company’s significant community engagement. Civic 50 honorees selection is based on four dimensions of community engagement programs and social impact:

- Strategic investment
- Business integration
- Fostering civic culture
- Measuring impact

The Freeport-McMoRan Foundation recently announced its 2020 STEM Grants awards. \$100,000 will be invested in STEM education in our communities. Congratulations to the following recipients:

- Greenway Elementary – STEM Maker Space Project

Bisbee Unified School District received STEM Connect licenses for Greenway Elementary and Lowell Junior High schools
