ENGAGEMENT

AN EARTH DAY EXPERIENCE...

"Ramona students make connections to their learning thanks to Freeport-McMoRan..."

- Darlene Martinez, Principal, Ramona STEM Academy

Spring 2023, employees from Freeport El Paso hosted an Earth Day celebration at Ramona Elementary School with representatives from several other companies and agencies. Students were able to learn about plants, insects and environmental topics such as water conservation. The focus of Freeport's booths were local migratory birds, pollinators, and proper recycling methods. This event provided an opportunity to act on the Freeport commitment to educational development for resilient communities.

THE COPPER MARK

Freeport-McMoRan has achieved the Copper Mark at all 12 of its copper producing sites globally and has achieved the Molybdenum Mark at its two primary molybdenum mines, four copper mines that produce by-product molybdenum and at its molybdenum conversion facilities.

"Freeport is committed to the responsible production of copper and molybdenum, both of which are critical to the clean energy transition. We demonstrate this commitment through the Copper Mark, a comprehensive assurance framework that promotes responsible production processes."

- Bill Cobb, Vice President and Chief Sustainability Officer
