

SOCIAL PERFORMANCE: 2023 YEAR IN REVIEW

Henderson *Transforming tomorrow together*

Year In Review | Freeport-McMoRan is committed to fostering open and ongoing dialogue to develop thoughtful solutions and address community issues. "Transforming Tomorrow Together" means that we work collaboratively with communities to make transformative change and increase opportunity, wellbeing and capacity. We are pleased to highlight some of our key work from 2023 and look forward to a productive 2024 with you.

INVESTMENT

\$583,346 DOLLARS INVESTED*

"I am looking forward to having stability and safety back in my life and to moving forward instead of feeling left behind. Now I can go forward with everyone else. Habitat also has given me hope and confidence back."

-Jennifer, a future Habitat homeowner

In Grand County, Fraser Valley Metropolitan Recreation District, received \$80,000 from the Freeport-McMoRan Foundation for improvements to Grand Park Community Recreation Center as part of an expansion project to create additional recreational opportunities in the community.

"This funding will also allow us to increase fitness opportunities to improve our community's health and wellness for years to come."

- Scott Ledin, Executive Director, Fraser Valley Metropolitan Recreation District

In Clear Creek County, Blue Spruce Habitat for Humanity received \$40,000 from the Freeport-McMoRan Foundation to work with residents to create affordable homeownership opportunities in the downtown Idaho Springs area.

*Investment total includes: Freeport-McMoRan Foundation and Henderson investment totals.

ENGAGEMENT

185+ STUDENTS IMPACTED

"One of my goals was to raise my pigs on pasture this year. The Henderson mini-grant gave me the funds needed to build a shade structure and make that possible. Raising the pigs on pasture will help add grazing land to my family farm which will benefit the soil and water cycles."

-Atticus Holley, 4-H participant

With contributions totaling \$34,990, Henderson mine and mill Mini-Grant Program impacted over 185 students in both East and West Grand County. 4-H's focus on youth education and leadership development provided Henderson operations with an opportunity to further promote Grand County's proud cultural heritage while supporting the next generation of leaders through their community-driven projects.

PRIORITY IMPACTS

721

INDIVIDUALS SUPPORTED TO ATTAIN, RETAIN, OR IMPROVE HOUSING

27

BUSINESSES CREATED, SAVED, OR STRENGTHENED

21

INDIVIDUALS SUPPORTED TO EARN A POST-SECONDARY DEGREE OR CREDENTIAL

These are actual and forecasted impacts from programs funded through the Henderson Community Investment Fund since 2018 as reported by the organization in True Impact.

THE MOLYBDENUM MARK

"Freeport is committed to the responsible production of copper and molybdenum, both of which are critical to the clean energy transition."

- Bill Cobb, Vice President and Chief Sustainability Officer

Freeport-McMoRan has achieved the Copper Mark at all 12 of its copper producing sites globally and has achieved the Molybdenum Mark at its two primary molybdenum mines, four copper mines that produce by-product molybdenum and at its molybdenum conversion facilities.
