Community Development Update

Our Commitment to Social Investing

Freeport-McMoRan's predecessor company, Phelps Dodge, operated the New Cornelia Mine from 1913 until mining operations ceased in 1984. In 2007, Freeport-McMoRan purchased Phelps Dodge and has remained an active member of the Ajo Community. The company has hosted quarterly Community Partnership Panel meetings since 2008 and brings collaborative partners like ASU Lodestar Center for Philanthropy and Nonprofit Innovation and Local First Arizona Foundation to assist in capacity-building initiatives for the Ajo community.

The Freeport-McMoRan Foundation is committed to investing in the community through programs and projects that build community capacity.

- ASU Lodestar – Capacity Building Training
- Social Investment Fund → March 1 – August 30

STEM Grants for Education are one way the Freeport-McMoRan Foundation can invest in the classroom. In 2019, **\$99,860** were invested toward projects that support STEM in the classroom. Congratulations, Ajo on receiving a grant for **The School Rock Recording** proposal!

The 13th Annual Rural Policy Forum will be hosted in Eagar-Springerville! The Local First Arizona Foundation and Arizona Rural Development Council are excited for the opportunity to bring the 2019 conference to Apache County, **August 7 – 9**.
