

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Notes

Copper Queen Branch
November 20, 2019

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Copper Queen Branch

- Removal of 8,500 ft. of inactive power lines and eleven, 60-foot steel towers from areas in Bisbee is scheduled for completion in fourth quarter 2019
- Aquifer Protection Permit was issued by ADEQ on October 10, 2019
- Reconstruction of the Campbell Yard Pond began in November and is scheduled for completion in February 2020
- Re-grading of the upper south bench of the #7 Stockpile is scheduled to begin in February 2020
- Three monitor wells will be drilled east of Arizona Boulevard during the first half 2020
- Bisbee Lighted Christmas Tree on Bucky O'Neill Mountain
 - The Bisbee Christmas Tree was built from metal pipe between 1903 and 1944 on the upper support for the original Copper Queen Smelter Smokestack
 - The Christmas Tree reportedly was not lit during World War II
 - Members of the community donate light bulbs for the tree annually
 - Freeport-McMoRan personnel regularly install the light bulbs
 - Corrosion has caused the tree's metal joints to fail
 - Freeport-McMoRan installed a temporary tree on the hill across the highway from the City of Bisbee Swimming Pool
 - This is an opportunity to help select a safely accessible location that can serve the community for another 50 years and beyond
