The CVRC sponsored several signature events in 2019, including a Spring 5K, July 4 Festival and a fall golf tournament. The facility hosts the local schools in cross country track and tennis activities.

**The Freeport-McMoRan Foundation is proud to partner** with the Cobre Valley Youth Club (CVYC) on the new club renovation project. In 2019, the CVYC received \$49,000.

The priority and focus area for this project is Education and Training: Increased School Readiness, Matriculation, and Graduation Rates. The Cobre Valley Youth Club outgrew it's previous location and moved to the former Knights of Columbus building which needed a new roof and other repairs and renovations. The renovation project, now complete, allowed the Club to expand services and membership which ultimately results in an increase in positive attitudes, behavior and academic advancement for the Globe and Miami youth who participate in programming. Board members from CVYC shared photos of the new space and news that the project yielded 54 new members, over 680 hours of volunteer time, and four new community-focused summer events.
